

Fall Community Impact Grant Guidelines 2025

Our community is dependent on our local nonprofit organizations' vital services to create vibrant communities where all people can thrive. The Community Foundation of Johnson County supports these nonprofit organizations through training, convenings, resources, and grantmaking. We are partners in the Better Together 2030 Initiative and are working to align our discretionary grantmaking with the Better Together All in Vision created by and for our community in 2022. Our annual competitive grantmaking is a small portion of the \$4 million we award each year.

Each year, the Community Foundation of Johnson County receives funding through the County Endowment Fund Program to re-grant to local nonprofit organizations in one (or more) of the following categories: Arts, Culture, & Humanities, Education, Environment & Animals, Health, Human Services, and Public & Societal Benefit. The following are the guidelines for the Community Foundation of Johnson County's Community Impact Grants, funded through this program. Please read these guidelines completely prior to applying for this grant cycle.

Purpose: To invest in major projects which substantially increase quality of life for Johnson County residents through services provided by local nonprofit organizations.

Request Amount: There will be five \$25,000 grant awards available. Grant requests should be made for \$25,000 with budget narratives indicating how the monies will be spent and/or leveraged. We encourage leveraging these funds to secure additional funding to make a larger impact for our community.

Basic Eligibility Requirements (see Areas for Funding section for more information on what the committee prefers to fund):

All applicants should fit the following criteria:

- 501(c)3 nonprofit organizations, churches, the ICCSD, and government entities
 - Those without a 501(c)3 status are encouraged to find a fiscal sponsor to apply
- Significantly serving Johnson County, Iowa
- Fit within one or more of the CFJC's target areas for funding as listed in the section below
